SILVER AND THE TRUSTS.

The Times-Herald of Chicago, a rad ical administration organ, has obtained the predictions of several Democratiprinant issue of the next pres

tial campaign.

While its list does not appear to be the most representative obtainable, and nkhough each man questioned but ex-presses his personal opinion, the prederance of declarations are in favor of making the trust evil and the ald standard equal points of attack. from Bryan down, are in favor of r ng the Chicago platform in all its parts, and adding new planks to new issues. As the great silver "The Chicago platform was not

critten for one campaign."

Committeeman Johnson of Kansas persly and truly states the position of party in general when he says: shake the faith of Democrate in the platform. The financial question is economic questions are but collateral

And yet it will never do to have the fight against the single standard abwhile the same element of greed and selves in another part of the field. As mitteeman White of Washington puts it: "In 1900 the platform of 1856 reaffirmed in its entirety. Free silver will not be abandoned, but the will be against the money trusts

But let no goldbug hug the delusion that sliver will not be the leading issue of the next campaign. Hryan's eation will make it so; the rewill make it so; the fight on the presinext congress will make it so.

ions and preferences were sought by the Times-Herald, states his position "I favor the Chicago platform of 1896 as the paramount issue in the campaign of 1990. The vote for Bryan, in my opinion, will be largely increased in 1900, and the issue, instead of being independent bimetallism, will be between the single gold standard, as advocated by the Republicans, and the Chicago platform. It will be a fight

and applaud this sentiment. When ininstead of principle. But when an to intervene in what was none of his castern member of the national compersonal business, while the kaiser was mittee expresses himself as hos Mr. doubtless willing for France to plunge tempts to intimidate belief in bimetal- intrigue and internal strife. lism. And Mr. Troup's convictions are those of real, loyal Democrats every-

NO FAVORITES.

Single standard organs are congratulating the Republican party on the authoritative, unequivocal statement of its position on the financial question, courts for a restraining order in the matter of sufernovics construction, because the council had ordered the improvements made under the supervision blage is a member of congress, and of the superintendent of waterworks. Illustice of the committee appointed the superintendent of waterworks, in the position that all public important to devise a measure for the reform of the superintendent of waterworks.
